

# Dr. Birgitte Tan

## About

Well acquainted with grief since she was 5 years old and has helped more than 25,000 people over 25 years thrive beyond grief, Dr. Birgitte Tan is a certified Grief Specialist, certified Life success coach, global speaker, best-selling author, and founder of the International Childhood Cancer Charity, with a background as a veterinarian oncologist.

Her passion, based on her training and life experiences, is to help you and your loved ones recover from grief and thrive with simple, effective tools. Birgitte looks forward to helping you be empowered, effortlessly create results beyond your expectation, and easily transform tears into triumph.

**There is a part of grief that understanding and words cannot touch, Dr. Tan has the tools for you to readily release and recover from it.**
