

Kamal Amer

Life Purpose Coach & Speaker

Kamal Amer is a Life Purpose Coach, Karate instructor and Speaker dedicating his time in helping people uncover their own purpose in life, with the aid of NLP techniques and ancient Egyptian methodologies.

In average 90% of people live their life not questioning their existence, living with the feeling of being lost or not knowing where or what to do with their lives.

Kamal has set his mission, to educate and help those who have experienced a period of stagnation or unfulfilled life by providing them with the foundations to a life they've always dreamt of having, filled with purpose and excitement.

Kamal believes our combined existences serve a greater purpose and by such. It is our duty during this period to push beyond our current capabilities in order to expand and live purposefully with greater purpose.
